FOR ADULTS

## Americans and the Holocaust

This traveling exhibition examines the motives, pressures and fears that shaped Americans' responses to Nazism, war and genocide in Europe during the 1930s and 1940s. It will challenge commonly held assumptions that Americans knew little and did nothing about the Nazi persecution and murder of Jews as the Holocaust unfolded. Guided group/family tours are available Monday-Friday, 10 a.m.-5 p.m., by appointment.

This exhibition will be on display May 15-June 23 at Ben May Main Library

Brought to us by *The United States Holocaust Memorial Museum* and the *American Library Association Public Programs Office*

All events listed below will take place at the Ben May Main Library.

### America's Reactions to the Holocaust: A Panel Discussion

Tuesday, June 6 | 6 p.m. | Adults

A discussion on how the persecution and murder of Europe's Jews was understood in the 1930s and 1940s and the context of American reaction to events in Europe. On the panel will be three noted local Holocaust/Jewish Studies scholars—Dr. Alexandria Ruble, Dr. David Meola, and Dr. Dan Puckett. Dr. Donald Berry of the Gulf Coast Center for the Study of Holocaust and Human Rights Education (our partner organization for this event) will moderate the event.
